

**MERRITT MICROSCOPY PROGRAM  
and  
MERRITT HISTOTECH PROGRAM**

This is your pathway to a career as a microscopist and as a histotechnician!  
All courses are held on nights and weekends.  
[www.merrittmicroscopy.net](http://www.merrittmicroscopy.net)

Optional Courses

**Summer 2013**

Bioscience 20 (1 unit) Career Exploration Course  
Biology 10 (4 unit lab course) Introduction to Biology with a Bioscience emphasis

**YEAR ONE**

**Fall 2013**

Certificate of Optical Microscopy (12.5 units)  
Courses: Biological Sciences 2, 5, 6, 7, 8, 10, 11

**Spring 2014**

Certificate in Fluorescence Bioscience Microscopy (10 units)  
Courses: Biological Sciences 3, 4, 13, 14, 15, 16

**Summer 2014**

MMP Internships  
This can include Costa Rica!

**YEAR TWO**

**Fall 2014- Spring 2015**

Certificate or A.S. of Histotechnology (~20 units)

**Summer 2015**

Clinical internships  
ASCP Board Exam

**Histotechnician Jobs**

- Hospital labs
- Clinical Diagnostic labs
- Research labs

**Microscopy Jobs**

- Biotech labs
- Research labs
- Equipment sales

Transfer for an advanced degree
